

Local schools guide

Leaf Living homes are designed for modern family living and located in family-friendly communities with easy access to local schools, transport links, green spaces and other amenities.

OXFORDSHIRE

All properties are energy efficient with an EPC rating of C or above, are pet friendly and include smart home technology such as keyless entry and smart thermostats. Residents benefit from a no deposit option through flatfair, and high-speed internet included. Each development is professionally managed, giving residents long term security and responsive maintenance support.
